The City of Hickory

CDBG Small Business Loan Program

In its 2020-2024 Consolidated Plan for Housing and Community Development, the City of Hickory identified increasing entrepreneurship opportunities as a high priority need. The CDBG Small Business Loan Program provides loans to businesses looking for funding to create jobs and make necessary investments to take their business to the next level.

What is a CDBG Small Business Loan?

According to the US Department of Housing and Urban Development, a responsible entity is allowed to loan CDBG grant monies to a business owner. Since the project will be funded with CDBG funds, all loans must be made to businesses with the intent of creating jobs for low to moderate income individuals.

The award may be in an amount up to \$20,000 for eligible businesses that create or retain jobs, of which at least 51% are filled by low to moderate income individuals. An individual is considered low to moderate income if their household income is less than 80% of the area median income. That is currently \$53,900 for a family of four. The table below indicates the current HUD income limits. (All limits are subject to change as HUD updates their information.) The maximum funding will be based on needs presented in the business plan.

Persons in Family	Maximum Income
1	\$37,750
2	\$43,150
3	\$48,550
4	\$53,900
5	\$58,250
6	\$62,550
7	\$66,850
8	\$71,150

The Business Development Committee will recommend the proposed use of funds and any payment schedule during the grant approval process. Loan funds may not be used for real property improvements. Funds may not be used for expenses that were incurred prior to final approval of the funding agreement by the Hickory City Council.
